Your insurance journey

Updates to your premium

The increased cost of repairs and increased occurrence of severe weather and natural disasters in Ontario have affected your premium. Due to inflation, the cost of building materials has increased, meaning that the cost to repair and rebuild your home in the event of a claim has increased. Significant weather events such as ice storms, high winds, and heavy rainfall, as well as the increase in frequency and severity of natural disasters such as fires and floods have affected the cost of home insurance in Ontario.

Visit us online or go to the Insurance Bureau of Canada at ibc.ca for tips on protecting your home from the most common types of damage. We also invite you to call and speak to one of our advisors and learn ways to save on your insurance.

GENERAL POLICY CONDITIONS **(Applicable to Ontario Only)**

The following policy conditions, as modified or supplemented by the attached forms or endorsements, apply to all of the perils insured by this Policy (including fire) unless applicable legislation provides otherwise. In respect of SECTION II - LIABILITY COVERAGE, only policy conditions 1, 3, 4, 5 and 15 apply.

1. Misrepresentation

If a person applying for insurance falsely describes the property to the prejudice of the insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the insurer in order to enable it to judge of the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

2. Property of Others

Unless otherwise specifically stated in the contract, the insurer is not liable for loss or damage to property owned by any person other than the insured, unless the interest of the insured therein is stated in the contract.

3. Change of Interest

The insurer is liable for loss or damage occurring after an authorized assignment under the Bankruptcy Act (Canada) or change of title by succession, by operation of law, or by death.

4. Material Change

Any change material to the risk and within the control and knowledge of the insured avoids the contract as to the part affected thereby, unless the change is promptly notified in writing to the insurer or its local agent, and the insurer when so notified may return the unearned portion, if any, of the premium paid and cancel the contract, or may notify the insured in writing that, if the insured desires the contract to continue in force, the insured must, within fifteen days of the receipt of the notice, pay to the insurer an additional premium, and in default of such payment the contract is no longer in force and the insurer shall return the unearned portion, if any, of the premium paid.

5. Termination

- (1) This contract may be terminated,
 - (a) by the insurer giving to the insured fifteen days' notice of termination by registered mail or five days' written notice of termination personally delivered or delivered by prepaid courier if there is a record by the person who delivered it that the notice has been sent;
 - (b) by the insured at any time on request.
- (2) Where this contract is terminated by the insurer,
 - (a) the insurer shall refund the excess of premium actually paid by the insured over the proportionate premium for the expired time, but, in no event, shall the proportionate premium for the expired time be deemed to be less than any minimum retained premium specified; and
 - (b) the refund shall accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund shall be made as soon as practicable.
- (3) Where this contract is terminated by the insured, the insurer shall refund as soon as practicable the excess of premium actually paid by the insured over the short rate premium for the expired time, but in

no event shall the short rate premium for the expired time be deemed to be less than any minimum retained premium specified.

- (4) The refund may be made by money, postal or express company money order or cheque payable at par.
- (5) The fifteen days mentioned in clause (1) (a) of this condition commences to run on the day following the receipt of the registered letter at the post office to which it is addressed.

6. Requirements After Loss

- (1) Upon the occurrence of any loss of or damage to the insured property, the insured shall, if the loss or damage is covered by the contract, in addition to observing the requirements of conditions 9, 10 and 11,
 - (a) forthwith give notice thereof in writing to the insurer;
 - (b) deliver as soon as practicable to the insurer a proof of loss verified by a statutory declaration,
 - (i) giving a complete inventory of the destroyed and damaged property and showing in detail quantities, costs, actual cash value and particulars of amount of loss claimed,
 - (ii) stating when and how the loss occurred, and if caused by fire or explosion due to ignition, how the fire or explosion originated, so far as the insured knows or believes,
 - (iii) stating that the loss did not occur through any willful act or neglect or the procurement, means or connivance of the insured,
 - (iv) showing the amount of other insurances and the names of other insurers,
 - (v) showing the interest of the insured and of all others in the property with particulars of all liens, encumbrances and other charges upon the property,
 - (vi) showing any changes in title, use, occupation, location, possession or exposures of the property since the issue of the contract,
 - (vii) showing the place where the property insured was at the time of loss;
 - (c) if required, give a complete inventory of undamaged property and showing in detail quantities, cost, actual cash value;

- (2) The evidence furnished under clauses (1) (c) and (d) of this condition shall not be considered proofs of loss within the meaning of conditions 12 and 13.

7. Fraud

Any fraud or willfully false statement in a statutory declaration in relation to any of the above particulars, vitiates the claim of the person making the declaration.

8. Who May Give Notice and Proof

Notice of loss may be given and proof of loss may be made by the agent of the insured named in the contract in case of absence or inability of the insured to give the notice or make the proof, and absence or inability being satisfactorily accounted for, or in the like case, or if the insured refuses to do so, by a person to whom any part of the insurance money is payable.

9. Salvage

- (1) The insured, in the event of any loss or damage to any property insured under the contract, shall take all reasonable steps to prevent further damage to such property so damaged and to prevent damage to other property insured hereunder including, if necessary, its removal to prevent damage or further damage thereto.
- (2) The insurer shall contribute proportionately towards any reasonable and proper expenses in connection with steps taken by the insured and required under subcondition (1) of this condition according to the respective interests of the parties.

10. Entry, Control, Abandonment

After loss or damage to insured property, the insurer has an immediate right of access and entry by accredited agents sufficient to enable them to survey and examine the property, and to make an estimate of the loss or damage, and, after the insured has secured the property, a further right of access and entry sufficient to enable them to make appraisal or particular estimate of the loss or damage, but the insurer is not entitled to the control or possession of the insured property, and without the consent of the insurer there can be no abandonment to it of insured property.

11. Appraisal

In the event of disagreement as to the value of the property insured, the property saved or the amount of the loss, those questions shall be determined by appraisal as provided under the Insurance Act before there can be any recovery under this contract whether the right to recover on the contract is disputed or not, and independently of all other questions. There shall be no right to an appraisal until a specific demand therefore is made in writing and until after proof of loss has been delivered.

12. When Loss Payable

The loss is payable within sixty days after completion of the proof of loss, unless the contract provides for a shorter period.

13. Replacement

- (1) The insurer, instead of making payment, may repair, rebuild, or replace the property damaged or lost, giving written notice of its intention so to do within thirty days after receipt of the proofs of loss.
- (2) In that event the insurer shall commence to so repair, rebuild, or replace the property within forty-five days after receipt of the proofs of loss, and shall thereafter proceed with all due diligence to the completion thereof.

14. Action

Every action or proceeding against the insurer for the recovery of a claim under or by virtue of this contract is absolutely barred unless commenced within one year next after the loss or damage occurs.

15. Notice

- (1) Written notice may be given to the insurer in the following ways:
